

White Paper of the Committee of Experts on Data Protection Framework for India

Guidelines to submit the responses:

1. We seek specific responses to general and specific issues around data protection framework for India.
2. You may provide response/comments to specific questions listed at the end of each chapter in the prescribed forms given.
3. Each chapter also has a provision to offer general comments on the issues raised in the chapter.
4. You may provide response to specific questions only and it is not necessary to provide response/comments for all questions.
5. Please ensure that your responses are submitted in the corresponding chapter only.
6. If you wish to give a suggestion on the general framework or the overall approach to data protection adopted by the Committee, kindly do so in column marked "*Any other comments*".
7. The form provides option to "save" the responses in draft form. Please use the option to "Submit" only when your responses are final. Once submitted, the responses cannot be edited or resubmitted. Thus it is advised that the "Save" option be used till all the answers in a particular chapter is finalised.
